Contract Agreement for Group Consultation: Certification

Group Information

This agreement outlines the expectations regarding group consultation toward EMDRIA Certification in EMDR. Consultation groups for clinicians seeking EMDRIA Certification are structured as follows:

- Groups will meet for 120 or 60 minutes each.
- Each group will be limited to 8 (4 for 60min) participants to allow all to present case material on each of the 8 Phases. • If part of a scheduled case presentation is missed, the consultee may schedule an individual consultation (for an additional fee) to make up the missed presentation/case review.
- Consultees are expected to come prepared to present case material, complete with notes on that case. Cases will be presented using the EMDR case presentation form. Not all group participants are able to present full cases in every group meeting. My goal is that each participant will discuss some aspect of their clinical work in each meeting. You may schedule a case presentation in advance of the group meeting to help ensure the opportunity to present a full case.
- Do not include any information that will identify the case you are presenting.
